

INDIAN INSTITUTE OF INFORMATION TECHNOLOGY KOTTAYAM

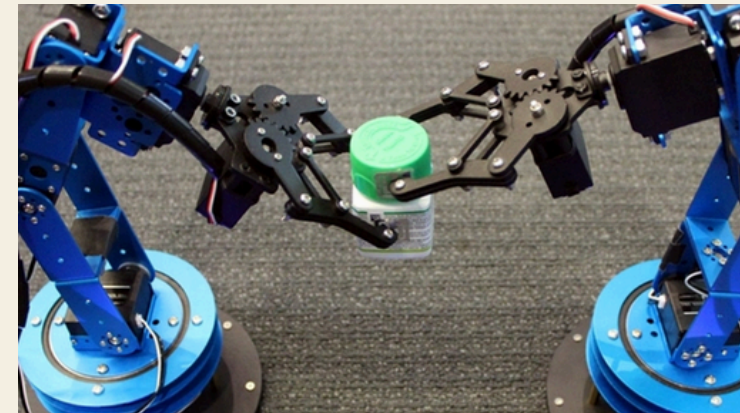

(An Institute of National Importance under Ministry of Education, Govt. of India, governed by an Act of Parliament)

Departments of Computer Science and Engineering (CSE)-Cyber Security, Electronics and Communication Engineering (ECE), and Computational Science and Humanities (CSH), at IIIT Kottayam, Jointly

Present

Advances in Robotics: Real-Time Control, Applications and Innovations (Online Mode)

**Five-day FDP cum Workshop
May 26-30, 2025**

Patrons

- Prof. (Dr.) Prasad Krishna, Director, IIIT Kottayam.
- Dr. M. Radhakrishnan, Registrar, IIIT Kottayam.
- Prof. (Dr.) P. Mohanan, Prof. In-Charge (Academics), IIIT Kottayam.

The Institute

The Indian Institute of Information Technology Kottayam is one among the IIITs that has been established as an "Institute of National Importance" by the Ministry of Education, Govt. of India under the ambit of IIIT (PPP) Act 2017. The institute offers 4 year B.Tech and B.Tech(Hons) program with specialized courses covering all major research domains of Computer Science and Electronics and Communication Engineering. The students are admitted against the JoSAA/CSAB counselling against the JEE main rank list. The institute also offers MTech in CSE and Ph.D. programs in CSE, ECE and Mathematics.

The Workshop

This workshop aims to provide participants with state of the art insights into robotics, focusing on real-time control systems, innovative applications, and emerging technologies. The event features a blend of theoretical sessions and hands-on experiences, delivered by esteemed speakers from prestigious institutions. Topics covered include image-based visual servoing, probabilistic robotics, robot kinematics, dynamics, sensors, drone technology, mathematical optimization, fuzzy logic, and security in robotics. Participants will also gain practical exposure to tools like the Robot Operating System (ROS) and robot path planning through interactive sessions.

Workshop Objectives

- To equip participants with advanced knowledge and practical skills in real-time control systems, innovative applications, and emerging trends in robotics.
- To foster hands-on experience with tools like Robot Operating System (ROS) and techniques such as robot path planning, visual servoing, and sensor integration.
- To facilitate interaction with leading experts and enhance understanding of interdisciplinary concepts like probabilistic robotics, fuzzy logic, and security in robotic systems.

Registration

Target Audience: Faculty, Industry Professionals, PhD scholars and UG/PG students.

Registration deadline:
20-05-2025

Registration Link:

<https://forms.gle/UrTeXJrXqf7inz7X8>

(Seats will be assigned on a first-come, first-served basis due to limited availability)

***Fee payment details are provided within the registration process.**

Registration Fees

Please note : Registration fee is non refundable.

Participant Category	Fee (INR)
UG Students	750
Ph.D./PG	1000
Faculty/Industry Professionals	1500

Program Coordinators:

- **Dr. Santhosh Kumar A - 04822202177**,
Asst. Prof., Dept. of Electronics and Communication Engineering, IIIT Kottayam
santhos@iiitkottayam.ac.in
- **Dr. Riyasudheen TK - 04822202256**,
Asst. Prof., Dept. of Computational Science and Humanities, IIIT Kottayam
riyasudheen@iiitkottayam.ac.in
- **Dr. Bhanu Chander - 04822202187**,
Asst. Prof., Department of CSE- Cybersecurity, IIIT Kottayam
bhanu@iiitkottayam.ac.in

Program Conveners:

- **Dr. Dhanyamol MV - 04822202162**
Asst. Prof. & Head, Department of Computational Science and Humanities, IIIT Kottayam
dhanya@iiitkottayam.ac.in
- **Dr. Panchami - 04822202151**
Asst. Prof. & Head, Department of CSE- Cyber Security, IIIT Kottayam
panchamam036@iiitkottayam.ac.in
- **Dr. Ananth A - 04822202176**
Asst. Prof. & Head, Department of ECE, IIIT Kottayam,
ananth@iiitkottayam.ac.in

Resource Persons

- Dr. Dilip Kumar Pratihari, IIT Kharagpur
- Mr. Bharath Pedapudi, IIT Roorkee
- Dr. Niraj Kumar Goswami, Banasthali Vidyapith
- Dr. Murugan D, IIIT Kottayam
- Dr. Balu A, IIIT Kottayam
- Dr. Bhanu Chander, IIIT Kottayam
- Dr. Santhosh Kumar A, IIIT Kottayam
- Dr. Susheel Kumar Joshi, IIIT Kottayam
- Dr. Balasubramanian P, IIIT Kottayam
- Dr. Riyasudheen TK, IIIT Kottayam
- Dr. Amit Kumar Roy, IIIT Kottayam

Workshop Contents

- Real-time control sessions on visual servoing, kinematics, and dynamics.
- Hands-on training with ROS and robot path planning.
- Innovative topics like probabilistic robotics and drone technology.
- Focus on sensors and mathematical optimization in robotics.
- Insights into fuzzy logic and security in robotics.

Register Now:

Indian Institute of Information Technology, Kottayam (IIITK), Valavoor - Chakkampuzha Rd, Valavoor, Kerala 686635, Phone: 04822 202 100, www.iiitkottayam.ac.in
