

A Guide Book of Regulations for B.Tech/B.Tech(Hon)/Dual degree (B.Tech - MS) Programme

IIIT Kottayam is established in 2015 with a major objective to set up an education model which can produce best-in-class human resources in IT and which can harness the multidimensional facets of IT in various domains. The IIIT Kottayam is expected to contribute significantly to the global competitiveness through the key sectors of Indian economy and Industry, focusing on applied research and education in IT in selected domain areas.

ORDINANCE

The minimum academic qualification for admission through Central Seat Allocation (as per MHRD, Govt. of India orders) to IIIT Kottayam (hereafter, the Institute) is a pass in the final examination of 10+2 (Class XII) or its equivalent.

- Admission to the particular branch of study shall be as per MHRD, Govt. of India orders.
- The duration of the B.Tech programme will normally be 8 semesters, and Dual degree programme will be 10 semesters.
- The award of the B.Tech / B.Tech Honours/ B.Tech+MS dual degrees shall be in accordance with the regulations of the Academic Advisory Committee / Senate of the Institute.

REGULATIONS

R.1.0 Admission

R.1.1 The number of seats in each branch of the B.Tech/MS programme for which admission is to be made in the Institute, will be decided by its Academic Advisory Committee / Senate. Seats are reserved for candidates belonging to the Scheduled Castes, Scheduled Tribes, Other Backward Classes, Economically Weaker Section and physically challenged candidates as per the Government of India orders from time to time.

R.1.2 Admission to the B.Tech/MS programme in any year will be based on performance in Joint Entrance Examination (JEE) Main and HSC examinations as per Central Board of Secondary Education (CBSE) guidelines (subject to change as per MHRD, Gov of India, orders).

R.1.3 The eligibility criteria, consistent with ordinance O.1, for appearing at the JEE Main.

R.1.4 The central seat allocation authority (as decided by MHRD, Govt. of India orders from time to time) will decide on the procedure for conducting the JEE Main and preparing a merit list for the general category of students and a separate merit list for candidates belonging to Scheduled Castes, Scheduled Tribes, Economically Weaker Section and Other Backward Classes. Subject to minimum performance criteria in the examination decided by the committee from year to year, the authority will offer admission, in order of merit, from these lists to candidates taking into account the choice of branch indicated by the candidate and the available seats in each branch in the various Institutes.

R.1.5 At the time of admission, a candidate should have appeared/ passed in the final examination of any of the qualifying examinations.

If any board awards only letter grades without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the Board specifying equivalent marks, and submit it at the time of counselling. In case such a certificate is not provided by the candidate, the decision of the Joint Implementation Committee regarding the student's eligibility shall be held final.

R.1.6 Candidates have to fulfil the medical standards required for admission as set out in the Information Brochure sent along with the application form.

R.1.7 The selected candidate will be admitted to the B.Tech programme after the student fulfils all the admission requirements as indicated in the letter of admission after payment of the prescribed fees.

R.1.8 If, at any time after admission, it is found that a candidate has not fulfilled all the requirements stipulated in the offer of admission, or it is found that a candidate has furnished any false information, the Institute may revoke the admission of the candidate and report the matter to the Academic Advisory Committee / Senate.

R.2.0 B.Tech/BTech(Hon)/ B.Tech-MS dual Programme

R.2.1 The programme of instruction will consist of:

- A general core programme comprising computer science/ information technologies, engineering sciences, basic science, humanities, engineering arts, and mathematics.
- An engineering core programme introducing the student to the foundations of engineering in their branch
- An elective programme enabling the students to take up a group of courses to their interest
- Projects approved by the Department/ faculty in-charge.

In addition, a student should satisfactorily complete the prescribed PASS/ FAIL courses in Physical and socially relevant activities.

R.2.2 *The complete programme will consist of 5 categories: Humanities, Basic Sciences, Basic Engineering, Professional Major and Electives and distributed over eight/ ten semesters with two semesters per year.*

R.2.3 First two years (four semesters) courses will be foundation courses and designated as Institute core courses. Fifth semester onwards students focus more on respective stream core courses and other electives. In the case of B.Tech-MS programme, fifth year will be devoted to a thesis by research.

R.2.4 At the end of fourth semester, the students should make their choice regarding the programme they would like to opt such as B.Tech or Btech (Hon) or B.Tech-MS.

R.2.5 Every branch of the B.Tech programme will have a curriculum and course contents (syllabi) for the courses approved by the Academic Advisory Committee / Senate.

R.2.6 Credits are assigned to the courses based on the following general pattern: One credit for each lecture period; One credit for each tutorial period; One (two) credit for each laboratory or practical or project session of two (three) periods.

R.2.7 The curriculum of any branch of the B.Tech programme is designed to have **a total of 174 credits (minimum) for the award of the B.Tech degree with minimum CGPA of 5.5. For B.Tech Honours and dual degrees, the minimum credits are 186 and 218 respectively with minimum CGPA as 8.0.**

R.2.8 The syllabi and curricula of the programmes is subject to revision from time to time.

R.2.9 No semester shall have more than seven lecture based courses and four laboratory courses/projects as prescribed in the curriculum carrying a maximum of 30 credits subject to the following constraints.

Students may be (are) permitted to register for an additional course (backlog) during the semester in which the course is offered. However, in special cases, students of VII semester will be permitted to take seven lecture based courses if they have not already registered seven courses in previous semesters subject to

- Maximum number of credits registered in any semester shall not exceed 30.
- No withdrawal from any of the courses registered will be allowed except as per regulation R.3.5.
- The student's Faculty Adviser recommends the same.

R.2.10 The medium of instruction, examination and project reports will be English.

R.3.0 Registration and Enrolment

R.3.1 Each academic year has two semesters namely, Odd semester (August – November) and even semester (January-April). Except for the first semester, registration of a semester will be done during a specified week before the commencement of the semester (pre-course registration)

R.3.2 From the second semester onwards all students have to enroll on a specified day at the beginning of a semester. A student will be eligible for enrolment only if the student satisfies R.8 and will be permitted to enroll only if the student has cleared all dues to the Institute, Hostel, Library and other sections up to the end of the previous semester, provided he is not debarred for enrolment by a disciplinary action of the Institute. **Late registration/enrolment will be permitted with a fine as decided from time to time up to two weeks from the last date specified for registration.**

R.3.3 The registration sheet contains the course number, course name, number of credits and category for each course taken in that semester. The student makes the choice of course in consultation with his/her Faculty Adviser.

R.3.4 The B.Tech students are also eligible to take extra courses apart from the courses prescribed in the curriculum, viz., one course in 5th, 6th, 7th semesters and not more than two courses in 8th semester subject to a maximum of 30 credits (total for the semester), provided a student has no backlog and should have earned CGPA of 7.0 and above at the end of previous semester. Students taking extra courses should obtain the prior approval of Dean. This will be shown in the grade card, and will be taken for CGPA calculation.

R.3.5 The curriculum for any semester, except for the final semester will normally carry credits between 20 and 30.

If a student finds their load heavy in any semester, or for any other valid reason, the student may drop courses within three weeks of the commencement of the semester but before commencement of first test/ quiz with the written approval of his/her Faculty Adviser. However, the student should ensure that the total number of credits registered in any semester should enable them to earn the minimum number of credits as specified in R.8.1.

R.4.0 Faculty Advisor and Class Committee

R.4.1 To help the students in planning their courses of study and for getting general advice on the academic programme, the Institute will assign a certain number of students to a Faculty member who will be called their Faculty Adviser.

R.4.2 Every class of the B.Tech programme will have a Class Committee consists of Faculty and students' representative.

R.4.3 The constitution of the Class Committee will be as follows:

1. One Faculty/Coordinator nominated by Dean to act as the Chairman of the Class Committee.
2. Faculty members of each of the lecture/lab based courses.
3. Class Representatives of the respective class.
4. Faculty Advisers of the respective class/batch.

R.4.4 The basic responsibilities of the Class Committees are:

- To review periodically the progress of the classes.
- To discuss problems concerning the students and make suitable recommendations to improve the academic performance of the students.
- The method of assessment in the course will be executed by the concerned faculty as per the academic rule and may consult with class committee for any advice if needed. This should be announced to the students at the beginning of the semester.
- The Class Committee without student members is responsible for the finalization of the semester results.
- The Class Committees shall meet at least twice in a semester after each test/exam. The class committee meeting at the end of the semester would finalize the grades. Each class committee will communicate its recommendations to the Dean.

R.5.0 Attendance and Course Feedback

R.5.1 Students are expected to attend all the classes. Every teaching staff member handling a class will take attendance till 3 calendar days before the last instructional day in the Semester. Students should have minimum 80% attendance.

R.5.2 The incomplete grade I is a transitional grade which will be given to the students who miss the end semester examinations under exceptional circumstances (eg. serious medical reasons) as determined by the course instructor/faculty advisor/Head of the department and approved by the Dean(Academics). Make up examination will be given to the students provided they meet the attendance requirements as per R.5.3 and other academic requirement as per the rules and regulation of the institute. Actual grade after the make-up examination will be taken and will reflect in the transcript replacing the I grade. In case the student obtains F grade in the make-up examination, the student will be eligible to write the repeat end semester exam.

R.5.3 Students having an attendance percentage between 65% to 80%, **with valid/genuine reasons** may be permitted to continue the course by paying a nominal penalty amount as decided by the competent authority. Students having an attendance percentage less than 65 will be awarded **L grade**. The students who have L grade in at least one course will have to **repeat the courses in which he/she has insufficient attendance** in the upcoming year. For every course, the attendance in the end semester examination is mandatory. In cases where the student does not attend the end semester examination, he/she will be considered to have failed in the course and will be counted as a backlog.

R.5.4 There will not be any make-up examination for mid-semester exams and quizzes.

R.5.5 Withdrawal of a registered course in a semester is usually permitted/enforced under very special cases, for example, due to prolonged illness. W grade is given in these circumstances and the student is asked to repeat the concerned course with same course number taking all the examinations when it is offered next. The new grade obtained by the student will be taken into consideration and appear in the transcript. However, the previous W grade will also appear in the transcript till the course is successfully completed. W grade will not have any effect in the calculation of SGPA and CGPA. If a student has W grade in a registered course in a particular semester, SGPA will be calculated based on the grades obtained in other registered courses of that semester. Similar rule will apply to CGPA as well.

R.5.6 The teacher handling a course must finalise the attendance 3 calendar days before the last instructional day of the course in the semester. The particulars of all students who have attendance less than 80% in that course will be announced in the class by the corresponding teacher. Copies of the same should also be sent to the Dean Academic and Heads of Departments concerned.

- The institute can consider waiver for students who have suffered major / long term illness that requires hospitalization. Such candidates need to submit a medical certificate issued / endorsed by the Institute Doctor and it shall be the decision of the Director or his/her nominee to permit such students on a case to case basis as deemed appropriate. Those students who have more than 80% attendance for the period other than their medical leave can be considered for condonation of attendance provided their overall attendance in a course including the period of illness does not fall below 50%.

R.5.7 All the students are expected to complete course feedback form. Online course feedback by students will be taken with full confidentiality for every course.

R.6.0 Assessment and Grading

A. Assessment

R.6.1 Continuous assessment will be adopted for assessment of all the courses. In this regard, tests, quizzes, assignment, course projects etc. appropriate the course will be conducted. The Academic Advisory Committee / Senate will decide from time to time on the system of tests and examinations in each course in each semester. A general guideline for assessment procedure of a theory course with respective weightage is given below.

- Continuous Assessment (Assignment, Quiz, Mini Project etc..) : 25 - 45 %
- Mid Semester Examination : 15 - 25 %
- End Semester Examination : 40 - 50 %

However, if any change in the above guideline is required, the details of weightage of marks for these within semester term evaluations have to be announced to the students, in consultation with the Class Committee at the beginning of the semester. Total weightage for within semester (mid-term) evaluations will be between 50%to 60% and should not be more than 60%. The weightage for end semester examination will be (100 - weightage of mid-terms evaluation).

R.6.2 For practical courses, 70% weightage will be given for experiments through continuous evaluation and 30% weightage will be given for written/viva examinations at the end of the semester.

R.6.3 For courses having both theory and lab components, 70% weightage will be given for theory and 30% weightage will be given for lab through continuous evaluation as per the guideline specified in R.6.1 and R.6.2.

R.6.4 Project Evaluation The B. Tech project work is carried out in two stages (BTP-I and BTP- II), each spread over a semester. At the end of first stage (BTP I), the student is required to submit a preliminary brief report of their work by a prescribed date to the Project Coordinator and present it to an Internal Project Evaluation Committee as a seminar. Out of total credits assigned to the project, 30% of weightage comes from Project guide and the remaining 70% is awarded by the Project Evaluation Committee (PEC). The second stage (BTP-II) of the work is continued in the following semester and a final report has to be submitted at the end of that semester. The distribution of scheme of evaluation will be same as mentioned above.

- PEC is constituted by the concerned department and the project co-ordinator will submit to the academic section the names of the project examiners at least two weeks before the submission of the second stage project. The project report, prepared according to the prescribed format available in the academic section, will be submitted to the Department at least one week before the probable date of oral examination. The oral examination will be held before semester vacation starts. The whole evaluation process should be completed by a deadline stipulated by the Academic Section.
- The Department will record the date of submission of the project and arrange to send the project reports to the examiners. The project coordinator will inform the date of the oral examination to the examiners and send

a copy to the academic section. The project will be evaluated by the Project Evaluation Committee and the result will be submitted to the Project Coordinator, who in turn will forward it to the Academic Section.

- On successful completion of the oral examination, each student will be required to submit one corrected bound copy and a soft copy of the project report to the Department/ supervisor(s).
- Extension of time usually not exceeding 3 months from the announced last date for submission of the project report may be granted by the Department with permission of Dean/Director in the case of students with insufficient progress in the project work. In such a case the concerned students will be temporarily awarded 'I' grade. Further, if the reports are not submitted within the allowed time period, the 'I' grade will be automatically converted to 'F' grade.
- Those who fail in the first stage assessment will be required to reregister for the first stage in the following semester. Likewise, those who obtain an 'F' grade in the final (second stage) assessment will be required to re-register for it in the subsequent semester.
- Research/Honours project evaluation will also be carried out in a similar manner as mentioned above and the evaluation process has to be completed by the end of the semester as stipulated by the academic section. The evaluation has the following weightage: Project Guide: - 30% and PEC - 70%. The rules for submitting the final project report remain same like final major project report.

R.6.5 Repeat Examinations and Course Repetition

R.6.5.1 Repeat Examination

A student with an F grade in a course may be given a repeat final examination subject to the following regulations.

- An F grade may be improved at best to a D grade as a result of repeat end semester exam which will be conducted after end semester exam. Under-performing students from semesters 1-4 may be given remedial/special-assistance classes before repeat examination.
- Must fulfil all other academic requirements for writing the end semester examination.
- Students will have to register for the repeat examination on a per course basis, paying an examination fee of Rs.1000 per subject (to change from time to time)

R.6.5.2 Repeat of a course

- Repeat of a course is not permitted if the student has obtained a grade D or above in the same course.
- If a student does not clear the foundation/core courses even after writing (or skipping) the repeat final examination, the student is required to repeat course with the same course number when offered next, taking all the examinations of that course. Until the course is repeated and passed by the student, it is treated as a backlog in the student's record. Both the grades, the new grade and the previous F grade will appear in the grade transcript.
- A student earned W grade in a core course has to repeat it compulsorily when the course is offered next. A student securing W grade in an elective course, may repeat it if he/she so desires to get a successful grade.
- A student earned F grade in a core course may appear for the repeat exam at the end of the semester. A student securing F grade in an elective course, may appear for the repeat exam if he so desires to get a successful grade.

B. Grading

R.6.6 Relative grading will be adopted for assigning grades in courses. Letter Grades Based on the semester performance, each student is awarded a final letter grade at the end of the semester in each course. The letter grades and the corresponding grade points are as follows:

Letter Grade	Grade Points	Remarks
A	10	Excellent
A-	9	Very good
B	8	Good
B-	7	Fair
C	6	Average
C-	5	Poor
D	4	Pass
F	0	Failed
L	0	Insufficient Attendance
I	-	Incomplete (Subsequently to be changed into valid grade)
W	-	Withdrawal due to special circumstances
U	-	Audit Course

R.6.7 A student is considered to have completed a course successfully and earned the credits if he secures a letter grade other than F or W or I or U in that course.

However, at the end of the programme (when required total credits are earned), the minimum CGPA requirement of passing the course is less than 5.5, the student is allowed to improve only those courses whose GP is less than 6 by repeating the course until the student earns a CGPA of 5.5 (limited to 5.5 if it is more than 5.5) within the stipulated maximum period (12 semesters) of the programme subject to the special approval of Dean/Director. If they still fail to earn a CGPA of 5.5 within the maximum period of the programme, they will be given only a course completion certificate.

R.6.8 Method of Awarding Letter Grades

A final meeting of the class committee without the student members will be convened within 10 working days after the last day of the end-semester examination. The letter grades to be awarded to the students for different courses will be finalized at the meeting. A copy of the grades will be forwarded by the Class Committee Chairman to the Dean (Academics).

R.6.9 Declaration of Results

After finalization by the Class Committee, the Letter-Grades awarded to the students in each course will be announced. **The W grade once awarded stays in the record of the student and is deleted when he completes the course successfully later.** The grade acquired by him will be indicated in the grade card of the appropriate semester. **F grade obtained by the students will be deleted in the grade card once that course is successfully completed.**

R.6.10 Grade Card

The grade card issued at the end of the semester to each student will contain the following:

- The credits for each course registered for that semester.
- The letter grade obtained in each course.
- Total number of credits earned by the student up to the end of that semester.
- The Cumulative Grade Point Average (CGPA) of all the courses taken from the first semester.

$$GPA = \frac{\sum_i (C_i \cdot GP_i)}{\sum_i C_i} \quad (1)$$

where C_i = credit for the course, GP_i = the grade point obtained for the course and $\sum_i C_i$ = the sum of credits in overall courses taken in that semester, including those in which the student has secured F and W grades.

For the cumulative grade point average (CGPA) a similar formula is used where the sum $\sum_i C_i$ is the sum of credits in overall courses taken in all the semesters completed upto the point in time.

The **CGPA based on the successfully completed courses** is calculated; deleting the 'F' or 'W' grades, and **is also shown separately in the grade card.**

R.6.11 Re-count/Re-evaluation of Answer Papers In case any student feels aggrieved, he/she can contact the teacher concerned within one week from the announcement of the results. The student shall have access to his/her answer paper/s in the end semester examination which may be shown to him/her by the teachers concerned. In case of any counting mistakes and if the teacher feels that the case is genuine he/she may re-examine the case and forward a revised grade, if any, to Dean (Academics) through the Chairman of the Class Committee with justification for the revision. If the student is still not satisfied, re-evaluation of answer paper can be done by paying a prescribed fee.

R.7.0 Essential Requirement to Continue the Programme

R.7.1 A student should earn not less than an average of 15 credits in every year to continue their studies. However, in the final semester a student may earn less than 15 credits if it is sufficient for him to fulfill the requirements for the award of the degree. **If a student fails to earn at least the average 15 credits every year, as stated above,** a choice may be provided to the student to **either** repeat failed courses in the upcoming year to satisfy the regulation **or** terminate the program.

R.7.2 A student who has not completed the physical activities credit requirements in first four semesters will not normally be permitted to continue the programme.

R.7.3 A student should have a minimum CGPA of 5.0 calculated for the courses successfully completed at the end of each year. Students with CGPA below 5.0 at the end of each year, may be permitted to the next semester if he/she has less than 2 or exactly 2 backlogs. If the student has more than 2 backlogs, a choice may be provided to the student to **either** repeat failed courses of the corresponding semester in the upcoming year **or** terminate the program.

R.7.3.1

For a student with more than 5.0 CGPA but has more than 2 backlogs at the end of each year may be provided with a choice to either repeat failed courses of the corresponding semester in the upcoming year or terminate the program.

R.7.4 Maximum Duration of the Programme

A student is ordinarily expected to complete the B.Tech programme in eight semesters, and the dual degree programme in 10 semesters. However, a student may complete the B.Tech programme at a slower pace by taking more time, but in any case not more than 12 semesters excluding semesters withdrawn or medical grounds etc. as per

R.7.5. However, the students have to satisfy R.7.1 every year.

R.7.5 Temporary Withdrawal from the Programme

A student may be permitted by the Director to withdraw from the programme for a semester or longer for reasons of ill health or other valid reasons. Normally a student will be permitted to discontinue from the programme only for a maximum continuous period of two semesters.

R.8.0 Degree Requirement

R.8.1 Temporary Withdrawal from the Programme

A student shall be declared to be eligible for award of the B.Tech degree if he/she has:

- Registered and successfully completed all the core courses and projects.
- Successfully acquired the minimum required credits (174) with a minimum CGPA of 5.5 as specified in the curriculum corresponding to the branch of his/her study within the stipulated time.
- Successfully completed the credits for physical activities.
- No disciplinary action is pending against the student.

R.8.2 Eligibility for Award of the B. Tech (Hon) Degree

A student shall be declared to be eligible for award of the B.Tech(Hon) degree if he/she has:

- Registered and successfully completed all the core courses and projects.
- Successfully acquired the minimum required credits (186) with a minimum CGPA of 8.0 as specified in the curriculum corresponding to the branch of his/her study within the stipulated time.
- Successfully completed the credits for physical activities.
- No disciplinary action is pending against him/her.

R.8.3 Eligibility for Award of the B. Tech-MS Degree

A student shall be declared to be eligible for award of the B.Tech-MS degree if he/she has

- Registered and successfully completed all the core courses and projects.
- Successfully acquired the minimum required credits (218) with a minimum CGPA of 8.0 as specified in the curriculum corresponding to the branch of his/her study within the stipulated time.
- Successfully completed the credits for physical activities.

- No disciplinary action is pending against him/her.

For students visiting reputed Universities/ Institutes abroad and within the country under Exchange programme, the following will be followed for credit transfer:

The credits/ grades indicated in the grade sheet obtained from the university where the student has done courses should be used by the student as part of his/her transcripts.

Institute transcripts should only indicate the courses, credits and grades completed at IIIT Kottayam and the courses and credits done in other Universities in a particular semester.

The CGPA calculation based on credits done at Institute alone is to be considered for award of prizes, if any.

R.8.4 The award of the degree must be recommended by the Academic Advisory Committee/Senate and approved by the Board of Governors of the Institute.

R.9.0 Summer Term and Contact Courses

R.9.1 A summer term course (STC) maybe offered with the approval of the Director/ Deputy Director, if there are at least 5 students to take up the course. *No student should register for more than two courses during a summer term, including contact course during summer.*

R.9.2 Summer term courses will be announced at the end of the even semester before the commencement of the end semester examinations. A student will have to register within the time stipulated in the announcement by paying the prescribed fees.

R.9.3 The number of contact hours in any summer term course (STC) will be the same as in the regular semester course. The assessment procedure in a summer term course will also be similar to the procedure for a regular semester course.

R.9.4 A Contact course may be offered during the regular semester or summer term ONLY to a final year student who has obtained F grade in a CORE course. The course will be offered ONLY on the recommendation of the department with the mutual agreement of the teacher and the student.

R.9.5 No student should register for more than two contact courses during the semester or summer period. **If the student registers for 2 STC then they are not eligible for contact course during that summer.**

R.9.6 A contact course cannot be offered if a regular OR a summer course is offered on the same course, during that period.

R.9.7 Such final year students, who wish to take contact courses, should apply to the Dean (Academics) before the commencement of the semester/ summer termin which the contact course is to be taken.

R.9.8 The assessment procedure for a contact course will be similar to the procedure for the regular semester course.

R.9.9 Summer courses and Contact courses will be offered only on chargeable basis.

R.9.10 Withdrawal from a summer course or from a contact course is not permitted.

R.9.11 Maximum grade awarded in a summer course is limited to 8 point ('B' grade).

R.9.12 Maximum grade awarded in a contact course is limited to 6 point ('C' grade).

R.10.0 Credit Requirement

The following table describes the minimum credit requirement and CGPA needed for the graduation.

Sl. No.	Course Description	Minimum Credits Requirement			Period
		B.Tech	B.Tech(Hon)	B.Tech-MS	
1	Institute Core/Foundation Courses	94	94	94	Semester I to IV
2	Bouquet Core Courses	24	24	24	Semester V to VIII
3	Stream Electives	18	18	18	Semester V to VIII
4	Institute Open Electives	9	9	9	Semester V to VIII
5	Humanities Electives	3	3	3	Semester V to VIII
6	Science Electives	3	3	3	Semester V to VIII
7	Maths Elective	3	3	3	Semester V to VIII
8	Engineering Elective	4	4	4	Semester V to VIII
9	Any other Electives/Industrial Training	4	4	4	Semester V to VIII
10	B.Tech Projects	12	12	12	Semester VII to VIII
11	Honours Project	-	12	12	Semester VI to VIII
12	Research Courses	-	-	8	Semester VI to VIII
13	Research Project	-	-	24	Semester IX to X
Total Credits		174	186	218	
CGPA		5.5	8.0	8.0	

R.11.0 Course Code

The courses are numbered in the format, XYZLSC (LTPC) and the numbering may be understood as

XYZ	:	Subject Code
LSC		
	L :	Level of the course (1, 2, 3, 4 or 5)
	S :	Semester (1 = Odd, 2 = Even)
	C :	Course number semester
LTPC		
	L :	Lecture hours per week
	T :	Tutorial hours per week
	P :	Practical hours per week
	C :	Credits

R.13.0 Conduct and Discipline

R.13.1 Code of Conduct

Disciplinary policies of Indian Institute of Information Technology Kottayam (IIIT Kottayam) are put in place to ensure a secure academically enriching environment for all members of the community and to promote civility on campus. Students of IIIT Kottayam are expected to show personal integrity, respect for Institute resources, and respect for others rights, values of scholarship and teaching. Students are expected to adhere to the institute rules and regulations. Any violation will be handled according to the rules set forth by the Senate and Board of Governors of IIIT Kottayam. The administrators of the institute will notify parents/guardians if a student violates the Code of Conduct. Any of the following shall constitute violation of the Code of Conduct for students and makes the student liable to disciplinary action by the Institute.

- Lack of courtesy and disorderly conduct or disruptive acts (within or outside Institute premises).
- Any act that compromises the safety/security of individuals or Institutional facilities.
- Willful damage or unauthorized removal of Institute property.
- Unauthorized access to institutional facilities/records.
- Tampering of data/records (reading, copying or destroying).
- Any act of fraud/misrepresentation/dishonesty.
- Misappropriation of any belongings of fellow students/staff/faculty.
- Adoption of unfair means during examinations or misconduct in research.
- Infringement of personal privacy.
- Ragging in any form.
- Caste/religion/ethnicity/gender/physical disability based discriminatory behaviour/remarks.
- Sexual harassment/assault.
- Possession of banned substances or dangerous items (illegal drugs, weapons, firearms etc.) that endangers safety of student himself/herself or others.
- Any act that affects the reputation/orderly conduct of the institute.

R.13.2 The Disciplinary Procedure

1. The Discipline and Welfare Committee (DWC) of the Institute is constituted under the chairmanship of a faculty member by the Director. Depending on the issues of allegations involved, the Chairman of the DWC may invite additional members, for example the Coordinator of a Programme, students faculty adviser/research supervisor, Deputy Registrar (Academics & Administration) in case of academic related issues, to facilitate with the investigation.
2. DWC will investigate the allegations of misdemeanours or violation of the Code of Conduct, without bias. The DWC will subsequently submit a fact-finding report and recommend disciplinary action(s), if any, to the Dean, Student Affairs. Complaints related to caste/religion/ethnicity/gender-specific discrimination and sexual harassment will be investigated by an appropriate committee of the Institute and will report directly to the Director.

3. While hearing the disposition of the accused student(s) and witnesses, the Chairman, DWC may invite two senior student observers (with one woman and/or SC-ST observer if the accused student(s) belong to the same community), from the B.Tech-MS (5th Yr) and PhD programmes respectively, to be present with the DWC.
4. The student observers are to be invited by the Chairman, DWC in consultation with the Dean, Student Affairs, from a list of nominees forwarded by the Schools. The list of nominees is valid for a year.
5. The student observers shall withdraw at the conclusion of the above and may submit their remarks (if any) in writing to the Chairman, DWC for consideration.
6. The Chairman, DWC, shall keep records of the entire proceedings of the meetings.
7. All disciplinary actions shall be notified in writing to the concerned students and their parents/guardians by the Office of the Registrar.
8. A student who feels aggrieved with the disciplinary action may appeal to the Director. The appeal has to be filed within a period of one month from the date of intimation of disciplinary action stating clearly the case and explaining his/her position and reason(s) for reconsideration of the decision.

R.13.3 Disciplinary Actions

- Violation of the Code of Conduct shall invite disciplinary action, which may include penalties such as, reprimand, fine, suspension/expulsion from the hostel, debarring from examinations, withdrawing/withholding of scholarship/fellowship/benefits or access to institute facilities, withholding of grades and/or degrees, revoking of awarded degrees, suspension for a certain period or even permanent expulsion from the Institute.
- The Senate may withhold recommendation of a student, who is found guilty of a major offence, to the Board of Governors for the award of a degree, even if the student has satisfactorily completed all the academic requirements.
- Lack of knowledge of the rules and regulations is not admissible an excuse or defence for misconduct/dishonesty, and shall not be a basis for leniency.

R.13.4 Disciplinary Action for Malpractices in Research

- Students involved in conducting research at IIIT Kottayam are expected to maintain highest standards of integrity. Any form of unscrupulous conduct will be investigated by competent authorities and could warrant a variety of disciplinary actions, in severe cases cancellation of B.Tech/BTech(Hon)/B.Tech-MS registration or even cancellation of an awarded Degree at any time.
- Research misconduct can take place in many forms, including deliberate interference with the integrity of the work of others, plagiarism, falsification of data, and fabrication of data. In particular, students are expected to observe the practice of acknowledging source(s) of information reproduced in their thesis, reports, publications, or seminars.
- Plagiarism includes, without citation, the appropriation of another individual(s) s' text, results, or ideas.
- Falsification includes actions such as not accurately representing research records or results, manipulating reagents or equipment settings, to produce a preconceived outcome.
- Fabrication includes making up data and recording them.

R.13.5 Honour Pledge

1. The student must sign and submit to the Institute the following Honour Pledge at the time of registration in the Odd semester. The pledge must be counter-signed by the parent/guardian.

IIIT KOTTAYAM STUDENT HONOUR PLEDGE

- I promise, on my honour, that I will conduct myself in the Institute and outside, with decorum and decency befitting the high moral and ethical standards expected of the members of the National Institute, IIIT KOTTAYAM and follow its Code of Conduct, Rules and Regulations.
- I will not engage in ragging. I understand that ragging is unlawful and liable to prosecution by law enforcement authorities of the State besides any disciplinary action the Institute may take which may include dismissal from the Institute.
- I will not engage in overt/covert sexual harassment.
- I will not resort to any dishonest practice in examinations/assignments.
- I will not engage in plagiarism in my writings and will acknowledge the work of other authors according to international practices.
- I will follow the Library and Hostel regulations of the Institute.
- I understand that violation of this pledge makes me liable to disciplinary action by the Institute.

Sd/-
Student

Sd/-
Parent/Guardian

2. The student and their parent/guardian should also sign, at the time of admission, the prescribed anti-ragging forms (visit <http://iiitkottayam.ac.in/#!/antiragging>) as per the stipulation of the MHRD, Govt. of India.
