

IIITK BTECH ADMISSION

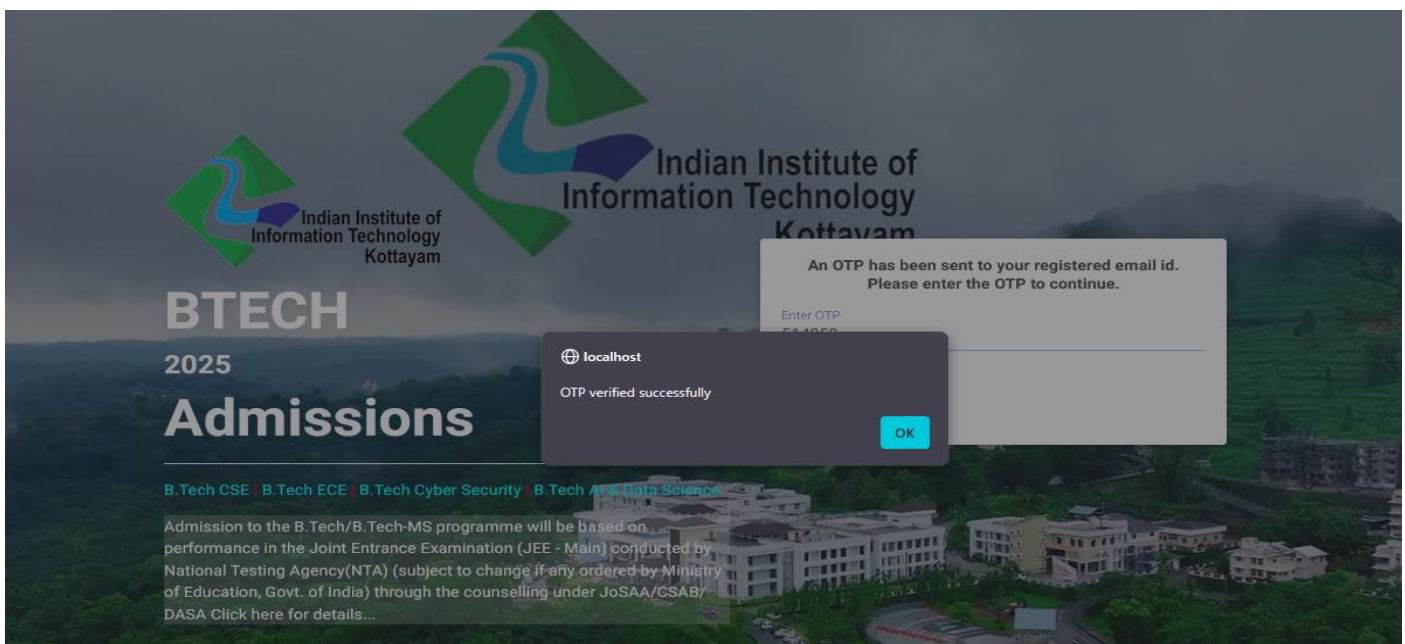

Student Login and Application Process

1. Application

Applicants can login to the B.Tech Admission portal using their **JEE (Main) Roll No.** as username and **Date of Birth** as password.

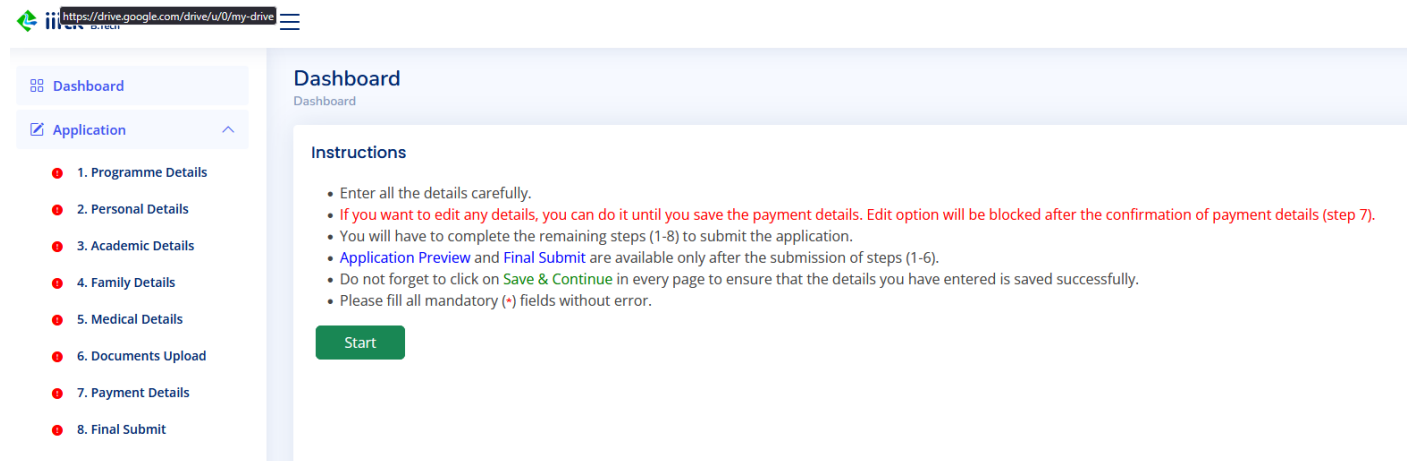

After submitting correct login credentials, an OTP will be sent to their registered email id. After successful OTP verification, the student can login to the portal.

1.1 Dashboard

Applicants will be directed to **Dashboard** after logging in, where a set of instructions are given as shown in the figure below. It is mandatory to complete the 7 steps for successful application submission. Click on **Start** and the applicants will be redirected to the **Programme Details** page.

1.2 Programme Details

In the Programme Details section, applicants need to enter only their JEE (Main) Rank and click on **Save & Continue**.

The screenshot shows the iitk Programme Details page. The sidebar on the left is the same as in the previous screenshot. The main content area is titled 'Programme Details' and contains a section for 'Instructions'. The instructions are as follows:

- Enter the programme details carefully. You can update the details until you save payment details.
- Please fill all mandatory (*) fields.
- Click on Save & Continue after entering details.

Below the instructions, there is a section for 'Programme Details' with the following fields:
