

ABOUT THE FDP CUM WORKSHOP

This FDP cum workshop focuses on Contemporary Image Processing and Cybersecurity Applications concepts with the introduction of relevant tools and hands-on sessions. The topics covered in this session will include " Algorithm and architecture for image/ video processing, Medical Image Processing, Video summarization, Data hiding, Malware classification, and Image Forensics". Our skilled resource persons will walk you through the complexities of these topics, giving you a thorough overview of the most recent advances in the world of cybersecurity.

WHO CAN ATTEND

Participants can join the FDP cum Workshop in hybrid mode. The FDP cum workshop is open to working professionals, faculty members, research scholars in CSE/IT/ECE/Cyber Security or related fields, PG Students (MCA or M.Sc. Computer Science/IT, M.Tech/M.E. in CSE/IT/ECE/Cyber Security or related fields), and UG students (B.Tech in CSE/IT/ECE/Cyber Security or related fields) from all institutes, colleges and Universities.

REGISTRATION

Registration Fee:

Industry: 2500/-

Faculty: 1500/-

PhD Scholars/PG students: 1000/-

UG Students: 700/-

Internal Candidates: 300/-

Food and Accommodation: 2000/-
(Offline Participants)

Last date: 30 April 2024

Accommodation to external participants will be provided on request first-come, first-served basis.

ABOUT THE INSTITUTE

The Indian Institute of Information Technology Kottayam (IIITK) is a prestigious higher education institution in Kottayam, Kerala, India. IIITK, founded in 2015, is one of the 20 IIITs established by the Govt. of India as an Institute of National Importance under the IIIT PPP Act, Ministry of Education. UG, PG and PhD programmes in CSE, ECE, Cyber Security, and AI & Data Science are available at the institute. IIITK features a cutting-edge campus with modern amenities.

ABOUT THE DEPT. OF CYBER SECURITY

The Dept. offers B.Tech and B.Tech(Hons) in CSE specialization in Cyber Security and M.Tech for Working Professionals in Cyber Security, and Ph.D. with courses covering a wide domain of Cryptography, Network Security, Blockchain Technology, Cloud Security, Ethical Hacking and Digital Forensics. Students learn about the latest tools and techniques used in the field of cyber security.

ABOUT THE DEPT. OF ECE

The Dept. of ECE offers both B.Tech and B.Tech (Hons) degrees, with courses covering a wide domain of Electronics circuits, VLSI and Embedded systems, Signal Processing, Communication systems, Antenna design, Microwave Engineering, Artificial Intelligence and machine learning. The dept. also offers PhD programs in these domains.

Dept. Of CSE - Cyber Security & ECE

IIIT Kottayam

Presents

5 Days FDP cum Workshop

(Hybrid mode)

on

**Contemporary Image Processing and
Cybersecurity Applications**

6th - 10th May, 2024

Location

Indian Institute of Information Technology Kottayam

Valavoor - Pala, Kottayam,

Kerala, India-686635

PATRONS

Dr. Rajiv V. Dharaskar, Director
Dr. M. Radhakrishnan, Registrar
Prof. P. Mohanan, PIC Academics

PROGRAM CONVENERS

Dr. Panchami V
Assistant Professor & HoD
Dept. of CSE- Cyber Security
IIIT Kottayam

Dr. Ananth A
Assistant Professor & HoD
Dept. of ECE
IIIT Kottayam

FDP cum WORKSHOP CO-ORDINATORS

Dr. E. Silambarasan
Assistant Professor,
Dept. of CSE- Cyber Security,
IIIT Kottayam

Dr. Santhos Kumar A.
Assistant Professor, Dept. of ECE,
IIIT Kottayam

ORGANIZING TEAM

All the faculty members of CSE- Cyber Security and ECE Department.

RESOURCE PERSONS

Distinguished and well-experienced faculty members on Image processing and cyber security experts from Foreign Universities, IITs, NITs and IIITs will be the resource persons for this FDP cum Workshop. A detailed program schedule will be provided in due course. The list of experts is as follows.

- **Dr. P. Sumathi**, Professor, IIT Roorkee
- **Dr. Kishor P. Sarawadekar**, Associate Professor, IIT (BHU), Varanasi.
- **Dr. M. Brindha**, Associate Professor, NIT Tiruchirappalli.
- **Dr. Saptarshi Chatterjee**, Assistant Professor, NIT Rourkela.
- **Dr. Gourav Modanwal**, Research Fellow, Georgia Institute of Technology and Emory University, Atlanta, GA, USA.
- **Dr. Pradeep Kumar Chaudhary**, Research Fellow, Mayo Clinic College of Medicine and Science Rochester Minnesota, USA.
- **Dr. Himanshu Singh**, Assistant Professor, Amrita Vishwa Vidyapeetham, Coimbatore.
- **Dr. Sumit Kr. Yadav**, Assistant Professor, Dayanand Sagar University, Bengaluru, Karnataka.
- **Dr. Manikandan V M**, Assistant Professor, SRM AP.
- **Dr. Balu**, Assistant Professor, IIIT Kottayam.
- **Dr. Lavanya Settipalli**, Assistant Professor, IIIT Kottayam.
- **Dr. Priyadharshini S**, Assistant Professor, IIIT Kottayam.
- **Dr. Kanchan Lata Kashyap**, Assistant Professor, IIIT Kottayam.
- **Dr. S. Jai Ganesh**, Assistant Professor, IIIT Kottayam.
- **Ms. Apoorva K A**, Content Specialist, UNext Learning, Bengaluru.

CONTENTS of the FDP cum WORKSHOP

This FDP cum Workshop aims to highlight current trends and development of cybersecurity in image processing. This FDP cum Workshop will concentrate on theoretical topics as well as give participants with hands-on experience.

The following topics will be covered:

- Algorithms and architectures for image/video signal processing
- Medical Image Analysis
- MRI image harmonization
- Hazy Image Restoration
- Video summarization
- Cryptographic Primitives for Image Security
- Steganography
- Data Hiding Methods for Digital Image Security
- Fingerprinting for user and access management
- Malware detection and classification.
- Investigative Approaches to Uncover Tampered Images
- Image Forensics

FEE PAYMENT

Payment link:

<https://www.onlinesbi.sbi/sbicollect/icollecthome.htm>

Steps for Payment:

1. Select "Educational Institutions"
2. Search for Payee "IIIT Kottayam" and click on it.
3. Payment Category - Select " FDP cum Workshop on Contemporary Image Processing and CyberSecurity Applications"
4. Enter the details and make payment
