DEPARTMENT OF ECE & CSE

Internet of Things:

- **Hardware, Software and Applications**

5-Day Faculty Development
Programme (Online)

7-11 DECEMBER 2020

SPONSORED BY

About the FDP

The five-day Faculty Development Programme on “Internet of Things: Hardware, Software and Applications” focuses on an overview of the theoretical and practical aspects of hardware and software of IoT and various applications of IoT in the contemporary world.

The main objectives of this FDP are:

- To understand the need of Embedded and IoT enabled systems in the research community and the hardware/software industry.
- To understand various innovative applications such as Smart City, Smart Health, Smart manufacturing, Smart Agriculture etc.
- To form a bridge between academia and industry, to update the knowledge.
- To train the participants on how to design and program the IoT based embedded system.
- To enhance research collaboration between various academic institutions and to provide a common platform for knowledge sharing and future endeavors.

Participants

Targeted participants are faculty members from various Institutes, PG scholars, research scholars and interested students. If the number of applicants exceeds the maximum number (100 participants), then selection will be based on the specialization and research interest of the applicants.

Resource Persons

1. Dr. G S Javed, Intel, Bangalore
2. Dr. Deepak Mishra, Associate Prof, IIST Trivandrum
3. Dr. Ankesh Jain, Asst. Prof, IIT Delhi
4. Dr. Basavaraj Talawar, Asst. Prof, NIT Surathkal
5. Dr. Anoop Thomas, Asst. Prof, IIT Bhubaneswar
6. Dr. Soumya Prakash Dash, Asst. Prof, IIT Bhubaneswar
7. Dr. Nalesh S, Asst. Prof, CUSAT Kochi
8. Dr. Aswathy V Nair, Founder, Prana Yogakendram, Thiruvananthapuram
9. Dr. Nitin Satpute, PDF, Aarhus University, Denmark
10. Dr. Vimalathithan R, Director, KrishTech, Coimbatore
11. Dr. Sreeranjani R, PDF, IIT Chennai
12. Dr. K Guravaiah, Asst. Prof, IIIT Kottayam
13. Dr. Jobish John, PDF, University College Cork, Ireland

Registration

Registration is free.

However prospective participants should complete a registration process, by filling up their details. For registration please visit ATAL website <https://atalacademy.aicte-india.org/signup> Participants should create a Login ID in ATAL website and register for the FDP through it. Registrations should be completed before 4th December 2020.

Selection

The selected participants will be intimated through email/ATAL Account. The meeting invitation mail will be sent to the registered email id. The FDP will be fully conducted online and the platform for the same will be communicated in due course.

Test and Evaluation

There will be an evaluation test on the last day of the FDP to assess the depth of understanding of the FDP contents by the participants. The attendance in the test is mandatory to receive the participation certificate.

Attendance

The participants are expected to attend all sessions without fail. Those who fail to secure 80% attendance in the sessions will not receive the participation certificate.
