

ABOUT MINDS'24

The Indian Institute of Information Technology Kottayam (IIIT Kottayam) was established in the year 2015 as one among the IIITs established under the administrative control of the Government of India and later declared as an "Institution of National Importance" by an Act of Parliament enacted in 2017.

MINDS'24 aims to bring together experts, researchers, and scholars from around the world to discuss and explore the applications of Mathematics in Artificial Intelligence and Data Science. More specifically, this open webinar series on all Wednesdays in August shall concentrate on the roles of calculus, graph theory, stochastic process, and linear algebra in the domain. From college students to professionals and researchers, this webinar is for all curious minds who nurture an enthusiasm for the subject.
