ABOUT THE INSTITUTE & RESEARCH LAB

About IIIT Kottayam: Indian Institute of Information Technology Kottayam (IIIT Kottayam) was established in 2015 under the Government of India and was later declared an Institution of National Importance by an Act of Parliament in 2017. Located at Valavoor, Pala, Kerala, the institute offers B.Tech, M.Tech, and Ph.D. programmes in CSE, ECE, Cyber Security, and AI & Data Science.

About MINDS Lab: Machine Intelligence and Data Science (MINDS) Research Lab is a multidisciplinary research center dedicated to advancing intelligent data-driven solutions through machine learning, artificial intelligence, computational intelligence, and data analytics. The lab focuses on developing innovative methodologies and real-world applications addressing challenges across engineering, technology, and society.

ABOUT THE FDP CUM WORKSHOP

The Faculty Development Programme (FDP)-cum-Workshop on Advanced Applied Data Science and Research provides participants with a comprehensive understanding of modern AI and data science techniques, from data preprocessing to generative AI and predictive analytics. The program integrates theoretical concepts, practical applications, and research methodologies to foster innovation and high-quality research.

TOPICS COVERED

- ◆ Foundation to AI and Evolution of Data Science
- ◆ Data Pre-processing and Feature Engineering
- ◆ Advanced Machine Learning Techniques
- ◆ Deep Learning Architectures and Applications
- ◆ Generative AI and Large Language Models
- ◆ Research Methodology for Data Science

- ◆ Each day features two 90-minute interactive lecture and hands-on sessions.
- ◆ Sessions will be conducted by the faculty experts from MINDS Lab, IIIT Kottayam and premier CFTIs.
- ◆ Detailed schedule will be shared with registered participants.
