

ONLINE FACULTY DEVELOPMENT PROGRAM (FDP)

ON

From Transformation to Protection: Mastering Cybersecurity Challenges in Digital Era

(01st - 10th July 2025)

Organized by

E & ICT Academy, NIT Warangal

in association with

Indian Institute of Information Technology Kottayam (IIIT-K), Kottayam, Kerala, India

(Sponsored by Ministry of Electronics and Information Technology (MeitY), GOI)

Preamble: With financial support from MeitY, GoI, the "Electronics & ICT Academy" has been established at NIT Warangal. The functions of this academy consist of offering faculty development programs in recognized courses and emerging fields of electronics and information communication technologies, industry training and assistance, curriculum development, CEP for working professionals, and direction and support for technical growth and entrepreneurial endeavours.

About FDP: The FDP highlights critical importance of transitioning from digital transformation to robust cybersecurity protection in the modern era. As technological advancements quicken, the digital landscape becomes progressively complex, exposing vulnerabilities that malicious actors can exploit. The FDP advocates for a theoretical and proactive approach to cybersecurity, emphasizing the need for innovative solutions, public-private partnerships, and comprehensive safeguard digital infrastructures. By fostering a culture of resilience and adaptability, the FDP aims to empower individuals, businesses, and governments to master the evolving cybersecurity challenges of the digital age, ensuring both progress and protection go hand in hand.

Major Course Contents:

Introduction to Cyber Security and Network Security Measures
Cyber Threat Landscape: Current and Emerging Trends
Cryptography and Network Security
Wireless Network Security
Software Defined Network Security
Cyber Security in IoT
Authentication and Access Control in IoT
Software and Web Application Security
Network Security Measures
Introduction to Cyber Forensics
Eminent Techniques in the Cyber Crime Investigation
Cloud Security Engineering
Introduction to Digital Forensics and Ethical Hacking
Introduction to Malware Analysis and Penetration
ML and DL in Cyber Security
Intrusion Detection Systems (IDS) With Machine Learning
Secure-Multiparty communications
Zero Trust Architecture and Implementing
Incident Detection and Response in Real-Time

Faculty conducting this programme: The programme will be conducted by NIT Warangal and Indian Institute of Information Technology Kottayam (IIIT-K), Kerala. Academicians in the concerned field from IITs/NITs/IIITs have been invited to deliver lectures in the programme.

Registration Fee Particulars:

Faculty and Research Scholars	Rs.750/-
Industry Participants	Rs.2250/-

Participants need to pay the Registration Fee Online using the following details

Online Transfer Details
Account Name: Electronics & ICT Academy NITW
Account No: 62423775910
IFSC: SBIN0020149
Bank and Branch: State Bank of India, NIT (REC) Warangal

How to apply: Participants are required to fill the online registration form by clicking on the following link:

https://docs.google.com/forms/d/e/1FAIpQLScqglPta4PMhN1d69-qqJfSjd3-Xt3f7Tle_7XnMrx_JB7tg/viewform?usp=header

Selection Criteria:

Selection will be done based on first-come-first-serve to a maximum number of 60 (sixty). Selected participants will be intimated through e-mail, if candidate not selected registration amount will be refunded. Candidates will be issued certificates on successful completion of the course.

Important dates:

Last Date (Application & DD)	28/06/2025
Selection List by E-mail	29/06/2025
Duration	01/07/2025 to 10/07/2025

About NIT Warangal: National Institute of Technology, Warangal is the first among 17 RECs setup as joint venture of the Government of India and the state government. Over the years the college has established itself as a premier Institute imparting technical education of a very high standard leading to the B.Tech degrees in various branches of engineering, M.Tech. and Ph.D programmes in various specializations.

About IIIT Kottayam: Indian Institute of Information Technology Kottayam (IIIT Kottayam) was established in 2015 as one among the IIITs established under the administrative control of the Government of India and later declared as an "Institution of National Importance" by an Act of Parliament enacted in 2017. IIIT Kottayam imparts top-notch technological education at undergraduate, postgraduate programme in CSE, ECE, AI & DS and Cyber Security.
