

OBJECTIVES OF THE WEBINAR

1. Introduction to Fuzzy Logic: Provide a clear definition and overview of fuzzy logic, its applications, and relevance in modern computing and decision making systems.
2. Basic Principles of Fuzzy Sets: Explain the foundational concepts of fuzzy set theory, including membership functions, linguistic variables, and fuzzy set operations.
3. Fuzzy Ranking: Various algorithms for total ordering of fuzzy numbers.
4. Steps to Fuzzy Graph Theory: Introductory guide to concepts and applications.

RESOURCE PERSONS

- **Dr. Sunil Mathew, Associate Professor, NIT Calicut**
- **Dr. Suriyapriya K, Assistant Professor, IIIT Kottayam**
- **Mr. Bharanidharan R, Research Scholar, NIT Trichy**
- **Mr. Anandhu Mohan, Research Scholar, IIIT Kottayam**

WEBINAR SESSIONS

- **Shades of Uncertainty: Exploring Fuzzy Logic**
- **From Crisp to Fuzzy: Exploring the Basics of Fuzzy Logic**
- **Total Ordering in the Fuzzy Frontier: Algorithms for Ranking various Fuzzy Numbers**
- **Fuzzy Graph Theory made Simple: Essential Concepts for Beginners**

ABOUT THE WEBINAR

Embark on a journey into the world of fuzzy logic with our upcoming webinar series, meticulously crafted to deliver a comprehensive understanding of this fascinating field. Through a series of interactive sessions, participants will unravel the intricacies of fuzzy sets, fuzzy rules, and fuzzy reasoning, gaining invaluable insights into their applications across diverse domains. Led by seasoned experts, each session will blend theoretical concepts with real-world examples, empowering attendees to harness the potential of fuzzy logic in their projects and endeavors. Whether you're a novice eager to explore new horizons or a seasoned professional seeking to deepen your expertise, this webinar series promises to equip you with the knowledge and skills to navigate the complexities of fuzzy logic with confidence and proficiency. Join us on this educational odyssey and unlock the power of fuzzy logic to drive innovation and solve complex problems.

Indian Institute of
Information Technology
Kottayam

Four day webinar series

FUZZYMAT2024: FUZZY LOGIC FOR BEGINNERS: A COMPREHENSIVE WEBINAR SERIES

JUNE 2-5, 2024

TIME: 6PM - 7PM

Department of Computational Science and Humanities

www.iiitkottayam.ac.in

ABOUT THE INSTITUTE

The Indian Institute of Information Technology Kottayam (IIIT Kottayam) is one among the IIITs established under the administrative control of the Government of India and later declared as an "Institution of National Importance" by an Act of Parliament enacted in 2017. The institute offers four-year B. Tech and B. Tech (Hons) programs with specialized courses covering all major research domains of Computer Science, Electronics and Communication Engineering. The students are admitted based on the JEE main rank list and the JoSAA/CSAB counselling. The institute also offers M. Tech in CSE and Ph. D programs in CSE, ECE and Mathematics.

PROGRAM COORDINATORS

- Dr. Binu M, Assistant Professor
- Dr. Suriyapriya K, Assistant Professor

CONVENOR

- Dr. Dhanyamol M V, Assistant Professor and Head

Department of Computational Science and Humanities, IIIT Kottayam

ABOUT THE DEPARTMENT

The Department of Computational Science and Humanities was formally established in 2019 with an aim to develop mathematically sound young minds for solving industry-related problems arising from different industries and related areas. It offers core courses in Mathematics/Statistics/Humanities to all B. Tech, M. Tech and Ph. D programs. This department takes pride in offering an exclusive doctoral program in Mathematics, meticulously crafted to meet the requirements of highly motivated and aspiring graduates holding a degree in this field.

PATRONS

- Prof. (Dr.) Rajiv Dharaskar, Director, IIIT Kottayam.
- Dr. M.Radhakrishnan, Registrar, IIIT Kottayam.
- Prof. (Dr.) P. Mohanan, Prof. In-Charge (Academics), IIIT Kottayam.

REGISTRATION

Target Audience: Faculty, PhD scholars and UG/PG students.

Registration deadline: 01/06/2024

Registration link:

<https://tinyurl.com/3abbm4jb>

(Seats will be assigned on a first-come, first-served basis due to limited availability.)

Registration fees: Rs. 200

Note: Fee once paid is not refundable

FEE PAYMENT DETAILS

E-payment

link: <https://tinyurl.com/bdhrvtf8>

Steps for payment

1. Choose the category as Educational Institutions
2. Choose payee as IIIT Kottayam
3. Choose payment category as Webinar series on Fuzzy Logic for Beginners

Elevate your expertise in these areas by immersing yourself in

Five Days FDP cum Workshop after the webinar series

FUZZYMAT 2024

**Unleash the Power of Fuzzy Logic
&
Hands-on Explorations with MATLAB Fuzzy Toolbox**
