

Indian Institute of Information Technology Kottayam
Department of Electronics and Communication
Engineering
Organizes
Science and Engineering Research Board (SERB)
sponsored
One Week High – End Workshop on
Methods for Creating a Quality Research Article:
Software and Writing Perspective
(Physical Mode)
(18 – 24 July, 2022)

About IIIT Kottayam

Indian Institute of Information Technology Kottayam at Valavoor, Pala, Kerala is one among the IIITs that have been established as "Institution of National Importance" by MoE, Govt. of India under the ambit of IIIT PPP act 2017. IIIT Kottayam campus is situated at Valavoor, Pala, Kottayam - a picturesque location, spread over in 53 acres of land - allotted by Govt. of Kerala in the southern part of the Country commonly referred to as God's Own Country. B.Tech students are admitted against the JoSAA/CSAB counselling against the JEE main rank list. Institute offers 4 year B.Tech and B.Tech (Hons) programs in ECE, CSE and Cybersecurity. In addition, Institute also offers Ph.D programs in ECE, CSE and Mathematics as well as M.Tech programme in (1) AI & Data Science (2) Cyber Security for the working professionals.

About SERB

SERB has a vision to position science and technology as the fulcrum for social and economic change by supporting competitive, relevant and quality scientific research and development. As the premier national research funding agency, the mission is to raise the quality and footprint of Indian science and engineering to the highest global levels in an accelerated mode, through calibrated, competitive support of research and development.

Although a nascent organization, SERB can trace its existence to the erstwhile Science and Engineering Research Council (SERC), a division of Department of Science & Technology that provided extramural funding for S&T research in India for more than four decades. Creation of SERB, in year 2011, is considered as an important institutional milestone in the Indian S&T ecosystem.

About Accelerate Vigyan

"Accelerate Vigyan" (AV) strives to provide a big push to high-end scientific research and prepare scientific manpower which can venture into research careers and knowledge-based economy. Recognizing that all research has at its base as development of quality, well-trained researchers; AV will initiate and strengthen mechanisms of identifying research potential, mentoring, training and

hands-on workshops, on a broad-based national scale. The aim is to expand the research base in the country, with three broad goals - consolidation / aggregation of all scientific training programs, initiating High end Orientation Workshops and creating opportunities for Training and Skill Internship.

About the Workshop

The one week high-end workshop on "Methods for Creating a Quality Research Article: Software and Writing Perspective" focuses on familiarization of tools and software for research article preparation and methods to improve research article with proper techniques employed in technical writing.

The main objectives of the workshop are:

- To get a basic understanding of the structure and methods for writing research article.
- To understand the challenges in technical writing.
- To understand the importance of ethics in research article writing.
- To know the causes and remedies for research article rejection.
- To learn techniques for writing research funding proposal.
- To understand the methods of improving the quality of research article writing.
- To familiarize technical writing tools like LaTeX and some important packages.
- To acquaint beamer for making presentations.
- To give hands-on training in software tools like JabRef for bibliography/ reference management, GNU Plot for plotting figures/ results, Inkscape for creating block diagrams, etc.

Speakers

Experts from Industry and Academia (IITs, NITs, IIITs, etc.) will be delivering talks along with few hands on session.

Participants

Targeted participants are PG students, Research Scholars, faculty members of academic institutions and scientists /researchers from industries and research organizations involved in scientific research.

Other Important Information for Participants:

- The workshop will be conducted in physical mode.
- Registration is free for all participants.
- Seats are limited (only 25) and the participants will be selected based on first come first serve/ merit.
- The candidate must upload a letter of authentication about your current affiliation and No Objection Certificate (NOC) from Supervisor/ Head of the Department/ Head of the Institute in the registration link for participating in the workshop. There is no dedicated format for the same however, it must be obtained on the institute/ university letterhead.
- After last date of registration, shortlisted candidates will be informed through email.
- Selected candidates will have to acknowledge participating in the workshop through return email failing which the waitlisted candidates may be called for attending the workshop.
- Accommodation for participants may be provided at IIIT Kottayam hostel with catering facilities, if requested.
- TA will be provided to the participants by producing the tickets with shortest routes as per norms.
- The participants would be expected to produce COVID-19 vaccination certificates (double dose) for attending the workshop.

Address

Indian Institute of Information Technology Kottayam
Valavoor P.O.,
Pala, Kottayam- 686635, Kerala.

Registration

Participants interested to attend the program should register online in the below mentioned link.

<https://forms.gle/GPVmPxm3ofykC4wMA>

The last date of registration is: **10 – July – 2022**

Organizing Committee

Patrons

Prof. (Dr.) Rajiv V. Dharaskar, Director, IIIT Kottayam.
Dr. M. Radhakrishnan, Registrar, IIIT Kottayam.
Prof. (Dr.) P. Mohanan, Prof. in-Charge (Academics), IIIT Kottayam.

Contact Details

Workshop Coordinator

Dr. A. Ananth,
Assistant Professor,
Department of Electronics and Communication Engineering,
Indian Institute of Information Technology Kottayam,
Contact: 0482 220-2176
